PRESS RELEASE

**CELEBRATE FAMILY HISTORY MONTH
WITH THE IRGS!**

The Indian River Genealogical Society will celebrate National History Month with two unique events.

“Recharge Your Family Connections” is the title of the program planned for the society’s general meeting Tuesday, October 14. Cindy Hineman Davis and members will share tips and experiences that make family reunions memorable and successful. The society’s business meeting starts at 9:30 AM and will be followed by refreshments. The program will begin at approximately 10:30.

On Saturday, October 18 from 10:00 AM to 2:00 PM, the society will hold a **FAMILY HISTORY CRAFT WORKSHOP**. Every half hour members will display and demonstrate the construction of craft projects by recycling and repurposing heirloom items. Handouts will be available to help participants learn to make jewelry, art, quilts, family trees and more. Many items will make wonderful family mementoes or holiday gifts.

Both events are free of charge and will be held in the first floor meeting of the Indian River County Main Library, 1600 21st Street, Vero Beach.

For more information, please call Suzy Bromwell at (772) 492-4012.
