PRESS RELEASE

August 27, 2008

The coming season promises to be fun-filled and educational for Indian River Genealogical Society members, guests and amateur genealogists. The program committee has planned nine monthly meetings to inspire, excite and recharge your research.

The program for September is titled "Family History Camp-Puter". Members will contribute information about their favorite web sites and stories of successful summer research projects, just like "show and tell" on your first day of school. Pam Cooper, professional genealogist and director of the Florida History and Genealogy Department of the library, will demonstrate the latest changes to popular web sites like Ancestry, Footnote and Family Search.

IRGS will meet September 10, 2008 at 9:30 AM in the first floor meeting room of the main Indian River County Library in Vero Beach. Following a brief business meeting, refreshments will be served, and the program will begin at 10:45. All IRGS general meetings are free and open to the public.

For more information, please contact Cindy Davis at (772) 532-6288.
