PRESS RELEASE

September 27, 2009

October is Family History Month and members of the Indian River Genealogical Society invite you to celebrate as you learn to preserve your family's heritage. The society's October 13, 2009 meeting will feature a program titled "Beyond the Family Photo Album". Members Lola Sloan and Susan Rienzo will show you how to use your family keepsakes and photos in new and creative ways.

The IRGS will meet Tuesday, the 13th, at 9:30 AM in the large first floor meeting room of the Indian River County Main Library, 1600 21st Street, Vero Beach. Following a brief business session and snacks, the program will begin at 10:45 AM. All IRGS general meetings are free and open to the public.

Please come and be inspired to discover your inner artist! By learning to recycle and repurpose family heirlooms, whether linens, photos or other memorabilia, you can preserve and share your family's heritage and be prepared for holiday gift giving.

For questions about this meeting, please call (772) 492-4012. To learn more about the IRGS and access the newsletter, check our website www.irgs.org.
